The McKenzie aggregation put up a splendid game and our boys are not the least bit chagrined by the defeat, if fact, one student says: "What is victory without honor?"

CLERICAL FORCE STRIKE

Demand Summary Dismissal of Federal Auditor

A walkout of 1,200 members of the Brotherhood of Railway Clerks on the Nashville, Chattanooga & St. Louis and Tennessee Central railroads was staged Tuesday morning at 10 o'clock when the clerks, protesting against alleged injustices by A. P. Ottarson, Federal auditor, failed to obtain his dismissal by Federal Manager Mapother, following demands made Monday afternoon.

The walkout was general, affecting all the clerical departments of both systems in their entirety and traffic seriously impaired as a result. This is the largest walkout ever experienced in the history of the two roads. The Federal railroad administration was notified of the action of the clerks and both sides awaited the movement by the administration.

It seems that Ottarson has, in the opinion of the clerks, assumed an attitude of antagonism to their organization and has expressed a determination to break up the organization on the N. C. & St. L. road.

Victory Stamps

The government will put on sale a three cent stamp designed to commemorate the successful termination of the war.

The stamps are purple in color and oblong in shape. They are adorned by a standing figure representing Liberty victorious, and in the background appear the flags of the five countries actively engaged in suppressing the kaiser. The supply issued so far is not equal to supply the demand, and postmasters are authorized to only furnish them to those who make special requests for them. This stamp has not been received at the Huntingdon office yet.

Can Do Work Without Bit of Trouble Now

Felt Tired Out All Time and Couldn't do Work Before Taking Meritone

"I can get around and do my work now without a bit of trouble," said Mrs. Florence Rector, of 1500 Arthur avenue, Nashville.

"I used to feel tired out all the time and it seemed impossible for me to keep up with my work. For a long time before I had influenza my health was bad and I felt nervous and irritable and I had no appetite."

"I was so weak after that I couldn't even stay up, but I'm getting back my strength now. Meritone has made me feel fresh and active. My appetite has come back, too, and eat everything with a relish and enjoy it."

RECOMMENDS MERITONE

"If you have had influenza and are weak and nervous. Meritone will surely put you back in condition again," said Mrs. Rector. I know it did the work for me."

"In fact Meritone has done me so much good that I'm getting another bottle for my little boy." Meritone is the tonic of real merit that folk who had influenza or pneumonia are advised to take to build up their strength. Meritone is also recommended for any disordered condition of the system such as stomach, liver or kidney.

"Finish The Job" Motto Of Victory Loan Campaign

Everybody hates a quitter! Uncle Sam is going to finish every thing he has started.

He finished one job in France when he helped to drive the Huns back across the Rhine.

Uncle Sam and the Allies are finishing another now, at the peace table in Europe, where they propose to stop wars forever.

We are going to finish another at home, by paying the big bills this war cost us.

The Victory Loan will attend to that. The job is not finished until the bills are paid.

We went into this war on a big scale, which was the only way to win. We couldn't provide men and munitions and ships and food in a hand-to-mouth way. The big scale on which Uncle Sam went to work was one thing that made the Kaiser quit so quickly. He saw we were in the war to the finish.

There is to be just one more Liberty loan—the Victory loan, and that will wind up the job.

It will take around five billion dollars to pay the war bill. Uncle Sam proposes to borrow the money from his nephews, on short term bonds at a good interest rate.

Every man in the country is to be asked soon to do his share in finishing this job and wiping the slate clean.

EX-SHERIFF LAFON

Whit Lafon died at an early hour Friday morning at St. Thomas' Hospital, Nashville, having undergone an operation for appendicitis, followed by pneumonia. Mr. Lafon was sheriff of Weakley County four years, was well known in the state and highly esteemed by all who knew him. He was a 32d degree Mason. Besides an aged mother, a brother and a number of sisters, he leaves a wife and one small child. He was 36 years of age. Interment was at the Dresden cemetery. Mrs. Lafon is the daughter of Mr. and Mrs. Homer Johnson, was born in this county and at one time lived with her parents in Huntingdon. The family moved from here to Dresden.

RECORD OF THE PAST

No Stronger Evidence Can Be Had in Huntingdon

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement: Lonnie Vawter, prop. of drayage business, Paris St., Huntingdon, says: "I had backache most of the time. My kidneys didn't act properly and I was in pretty bad shape. I used Doan's Kidney Pills, and they soon made me better. I have had no trouble from my back or kidneys since. I can't recommend Doan's Kidney Pills too highly."

(Statement given February 16, 1911.)

On May 25, 1918, Mr. Vawter said: "Since I recommended Doan's Kidney Pills before, I have taken them on a few occasions with the same fine results. I wish to confirm all I have previously said for this remedy."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Vawter had. Foster-Milburn Co., Buffalo, N. Y.
